[REAL TIME DENSITY FORECASTS OF OUTPUT AND IN?ATION VIA](#)

Quantile Regression ? Yizhen Zhao Preliminary Draft August 25, 2011 Abstract This paper compares the density forecasting performance of quantile regressions in real-time with that of two conventional density forecast methods, using U.S. in?ation and output growth data from 1959 to 2010. Both forecasts with and without factors are included, and in the latter case, factor selection rules are compar...
